Share in Prize Pool of  
\$1,000 Prize Money\*

Designed for ALL drivers  
but especially for the  
LESS experienced...  
COME & HAVE A GO!

## SPRING SUPER SERIES

### CARRIAGE DRIVING

Considering the shortage of competitions since the outbreak of Covid in 2020, drivers are going to be spoilt for choice in the Spring of 2022.

Initially the brainchild of the Southern Highlands Carriage Club president John Wood, the Spring Super Series was created after what must have been quite a few sleepless nights. Then, not only did he manage to persuade the club to organise it – he found a sponsor to put up \$1,000 in prize money!

The concept was readily endorsed by three other clubs and so, starting in September at 'Witwood', Braidwood with the Bungendore Club, there will be an event every fortnight to the beginning of November.

#### EVENT DATES:

Bungendore Carriage Driving Club	24-25 September - Level 3 CDE
Hill Tops Carriage Driving Club	8-9 October - Level 3 CDE
Tamworth Regional Horse Drawn Club	22-23 October - Level 3 CDE
Southern Highlands Carriage Club	5-6 November - Level 3 CDE FINAL!

#### HOW DOES IT WORK?

\*Enter & compete at three (3) of the above events to be in the running for your share of prize money! Prizes based on placings of best three (3) results overall.

**ALL WELCOME!**

One of the key objectives of the Series is to provide an introduction to CDE competition for the less experienced driver. All four events of the SSS competitions are to be Level 3 with the offer of Level 4 at the Tamworth Club's event. A Beginner Class will also be offered to encourage competitors who still feel daunted about taking part at Level 3 or Level 4 CDEs.

The prize money will be spread over all classes and will be awarded based on drivers' best three (3) placings over the Series.

With so much to look forward to this coming Spring, the four clubs are hoping drivers share their enthusiasm for the Spring Super Series.

#### Entry forms:

Each Club will post their own Entry Forms as they become available...
