### Some information in regard to Janelle's experience etc.

"Hi everyone –

I am Janelle Marshall and I began driving when I was 8 years old, at local Shows in South Australia, and then moving on to CDE at 10 years of age.

At the age of 18 years, I had the opportunity to go overseas to a Trainer in the U.S.A. I have driven Singles, Pairs, Tandem and Teams, Ponies and Horses.

I have resided in the U.S.A since that time and have very successfully competed in CDE here at events in Tyron, Florida, Black Prong, Spring Fling, and this is just to name some of them, both with my own Horses as well as with Client's Horses.

In this time, I have also competed at Pony World Championships for Australia in 2007, 2013 and 2023, and was in the Australian Team in Hungary with Lorraine Cairns in 2014.

I run my own Training Barn and do Coaching in the U.S.A. and Canada. I Coach Beginners to Advanced Drivers, with Ponies, Horses and all sizes in between.

Of course, you have probably guessed by now that I am the Daughter of Phil and Glenda Marshall from Vic., with Phil having given regular Clinics at SHCC for the last 6 years or so. Without their valuable assistance to me over the years, and still ongoing, I would not have been as successful with my Training Barn as I have been, so a big Thank You to you both Mum and Dad.

Janelle Marshall.
