30th October 2020

Dear Member

I'm delighted to advise we have received advice from VicSports that we can resume non-contact adult sports – provided that we can ensure that we stay 1.5m apart as per guidelines. I've attached a PDF copy of the emails exchange with VicSport so everyone can see the advice we have received.

I've been advised that there will be a further announcement around 8 November about resumption of adult contact sport, subject to change.

I look forward to us all being able to get back to a new post-Covid normal.

I know there has been a lot of chatter on social media, in some cases the comments are inaccurate. If you have any questions please contact me directly via email peter.harkness1@bigpond.com. Or refer to Sport and Recreation website <https://sport.vic.gov.au/our-work/return-to-play>

Regards
Peter Harkness
