Our club is based in Central Victoria at the Huntly Equine Recreation Reserve, we have the use of 13 acres of cleared grounds and several hundred acres of forestry tracks to drive on. We have a diverse range of members, from VSE's (very small equines) up to large horses and all shapes and sizes in between. Our members are involved in many pursuits including pleasure driving, showing, dressage, CDE, and indoor events and can be seen out and about at many competitions both in Victoria and interstate.

We hold rallies on the fourth weekend of each month. Our rally structure changes month to month and ranges from pleasure drives, cones and dressage practise, obstacle training on our six permanent obstacles in the forestry, show driving and preparation, and driving lessons with Phil Marshall approximately every three months.

Our club grounds have full facilities for camping. Amenities include a lovely clubroom with a full kitchen, fridge/freezer, fireplace and TV. We also have toilet and shower facilities and horse yards with a horse wash.
