Find us on Facebook: Gippsland Pleasure Harness Society

Our rallies are held the 3rd Sunday of the month at Catani Recreation Reserve, Taplins Road, Catani. Vic. Contact the Secretary for confirmation.

Our facilities at this venue include a fully fenced all weather menage, as well as substantial grassed areas where we can set up cones and obstacles, when required. We also have a large air-conditioned clubroom, toilets and good parking area.

Off-site activities are sometimes held, including Instruction Days at an indoor facility and bush drives at various venues.

We are only a small club but our rallies are frequently attended by members from other clubs nearby.
