

Mornington Peninsula Pleasure Harness Club inc.

Affiliated with the

Australian Carriage Driving Society

MPPHC began with an article in the local gazette in October 1981. Today it is a thriving Club with members interested in many different aspects of carriage driving. The club takes part in combined driving, driven dressage, show driving, winter competitions and pleasure drives.

The Club aims to encourage carriage driving as a recreational hobby and a sporting interest in a safe friendly environment. Members learn much about their harness, horses, vehicles, and their maintenance. We consider development of driving skills to very important, and the Club holds training days with instructors who have Australian and International experience.

MPPHC holds regular rallies at Emu Plains Reserve, Balnarring - [58 Coolart Rd, Balnarring VIC 3926](#) and the Crib Point Equestrian Reserve - [Mills Ave, Crib Point VIC 3919](#)
